Jeffrey,
Attached is Taylor's resume for your evaluation, she is still interested in attending Harvard business school. She indicated to me that her enrollment would be in 2015. She hopes an opportunity will present itself at "The Discovery Channel" in NYC when she graduates from Syracuse in May. She has competed two internships there. I don't understand how Harvard Business school enrollment works,.
She has taken the GRE. Taylor wanted me to ask you if she should just apply to Harvard Business now, or if you think there is a different approach with your assistance?
She's a talented and gifted person with my work ethic.
If your able to assist her with application, should she apply now and see if Harvard reply's back?
Thank you,
Larry
