Hi All,
The .NET site is live
Have you provided the admin login to Darren?

Please provide direct links to the 7 pieces you are putting live. Also lets have a call before updating social there are a few new things working better than ever.

JE - the EU removal request has been denied but we are trying a different approach
JE - [REDACTED] is working on a topic for us to feature somewhere - I should have soon.

Best

Hi Tyler,

I'm updating the 7 sites again and will tell you which ones tomorrow so you can boost.

Is the Net site live? Can you put a share bar on the top right corner? 'Share this' has good code.

I'll update you and Jeffrey on my Seth Lloyd piece shortly.

Thanks,
