I met with Darren, Daphne and Anna. We all dropped the ball in taking Danny at his word that he was ready. Daphne had discussions with Danny about the inspection and confirmed that he was ready and that he knew what needed to be done. Daphne relayed that to me that everything was set. I should have been as anal retentive about this as I was about the C/O inspection.

I would like to hire someone to do a walk through to help me to see what we are deficient on and also to provide the needed training for the staff in the case of an emergency which is a requirement. Do I have your approval, subject to you reviewing the cost?

With warm regards,  
Cecile
