In reviewing the Withers invoices on April 29 I highlighted to you the 2036 memo and gave you an explanation via email. I repeat - Jeffrey request the 2036 memo from Withers in his brainstorming to solve concerns relating to how Ralph had set up Narrows etc. This memo was discussed at our all hands meeting in Feb at JEE home.

What is your support for the assertion that I asked for the private foundation memo? I asked Diane for copies for our files – she had indicated she/Withers had prepared the FTLOA memo back when Withers was asked to create FTLOA (mid 2013).

All files and documents are saved in the Art folder on the network where you have shared access. The Withers memo's have a June 20 save date - the date DW sent to you and me the memos.

Hi Rich—do you have any other memorandum or emails from attorneys relating to the various art entities and issues? I did not know you requested the attached. Diana Wierbicki sent them to me after I inquired. Are there any others? Please share them.

Also, it would be a good idea to speak with me before requesting attorneys to prepare memorandum. I could have provided one of the attached.

Thanks.

Hi Ada,

During my last conversation with Rich, he requested the attached two memorandums for your records. I will explain during our call.

Kind regards,
