Dear Rich,

please let me know what documentation you require for the workshop finances. I have a bunch of receipts for flights, accommodation and restaurants. We have spent approximately \$4840 on flights, 280 on public transport, 593 on additional tickets, 4000 for accommodation, plus something between 2000 and 3000 for food. I.e. we spent about between 12000 and 13000 so far (this is an estimate, since the numbers are not double-checked yet, and perhaps I forgot something). In retrospect, we should not have cheaped out quite so much on the accommodation, but I am very happy with everything.

Bests,

Joscha
