Unfortunately I don't. I really would have loved to recommend someone, but to tell the truth I haven't met a single girl who was nice and beautiful at the same time. It is a strange city, I really don't like it and I don't like what it does to people. I have recently met two sweet girls I knew from before, and became so shallow and desperate that it actually scared me. In almost a year Since I moved here I haven't got one single girlfriend.

How are you? Where do you spend most of your time now? ) what happened to Susan? Is she not helping you any more?

I was offered different position and started a new job as an even coordinator. It is really fun, I surprisingly enjoy working at the office!  
How are you? Any news? Did you find a new assistant yet?
