Subject: 2016 MB Maybach

Richard,

Further to our conversation yesterday, we have cancelled deal# 3043352 for the 2016 Pullman.

Deal# 3045057 will remain active for the 2016 S600 Maybach, Jeff will hold order placement #7.

Furthermore on 06/10/14 we charged \$2,500.00 deposit per purchase agreement. Yesterday (06/11/14) a refund in the amount of \$2,500.00 was processed for cancellation of deal# 3043352.

Just to reiterate, originally there was a bit of confusion as it was understood two vehicles were being manufactured, 2015 S600 Maybach, released in 1st quarter of 2015, and 2016 Pullman.

Two purchases agreements #3043352 & #3045057 were generated and deposits charged.

Our product specialist department clarified that only one vehicle will be manufactured. The "Pullman" now referred to as the MB Maybach, S600X (long wheel base). The long base offering an additional 8" in length, an exclusive vehicle. Towards the end of November 2014, MB will hold a press release for the 2016 S600X Maybach. Shortly after the ordering banks will open up, at which time orders can be placed to your specifications. Delivery is anticipated approximated 4-6 months later (Between March –May of 2015). To sum it up, delivery of 2016 S600X Maybach will be received in 2nd quarter of 2015.

If you require further clarification, I am happy to assist.

We thank you for your business and will be in touch as we get closer.
