SCANDINAVIAN MODERN LIVING

Minimalist design at its best.

KNOCK KNOCK!

Who's there? We're on a conference call and it may be a few minutes...

WAIT - IS THIS A HOME OR AN OFFICE?

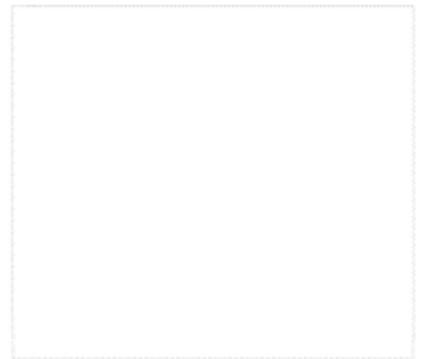

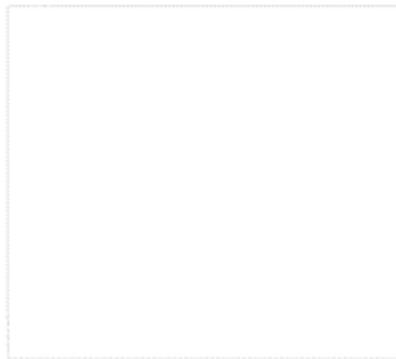

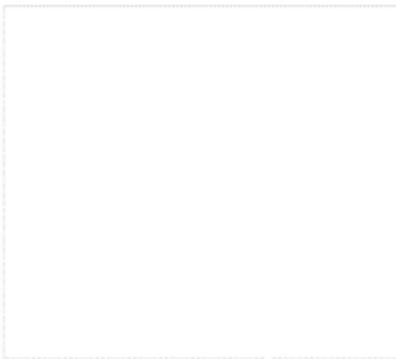

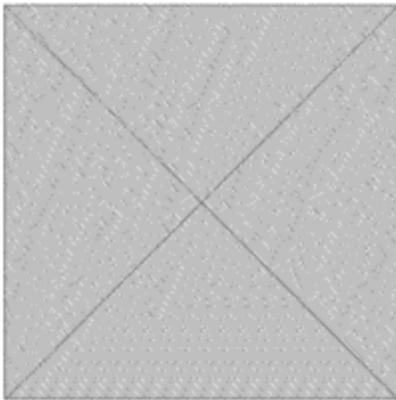

When you love what you do, it can get a little blurry. But a live/work loft lets you produce your best work from the comfort of your own home, with room for plenty of creative flair.

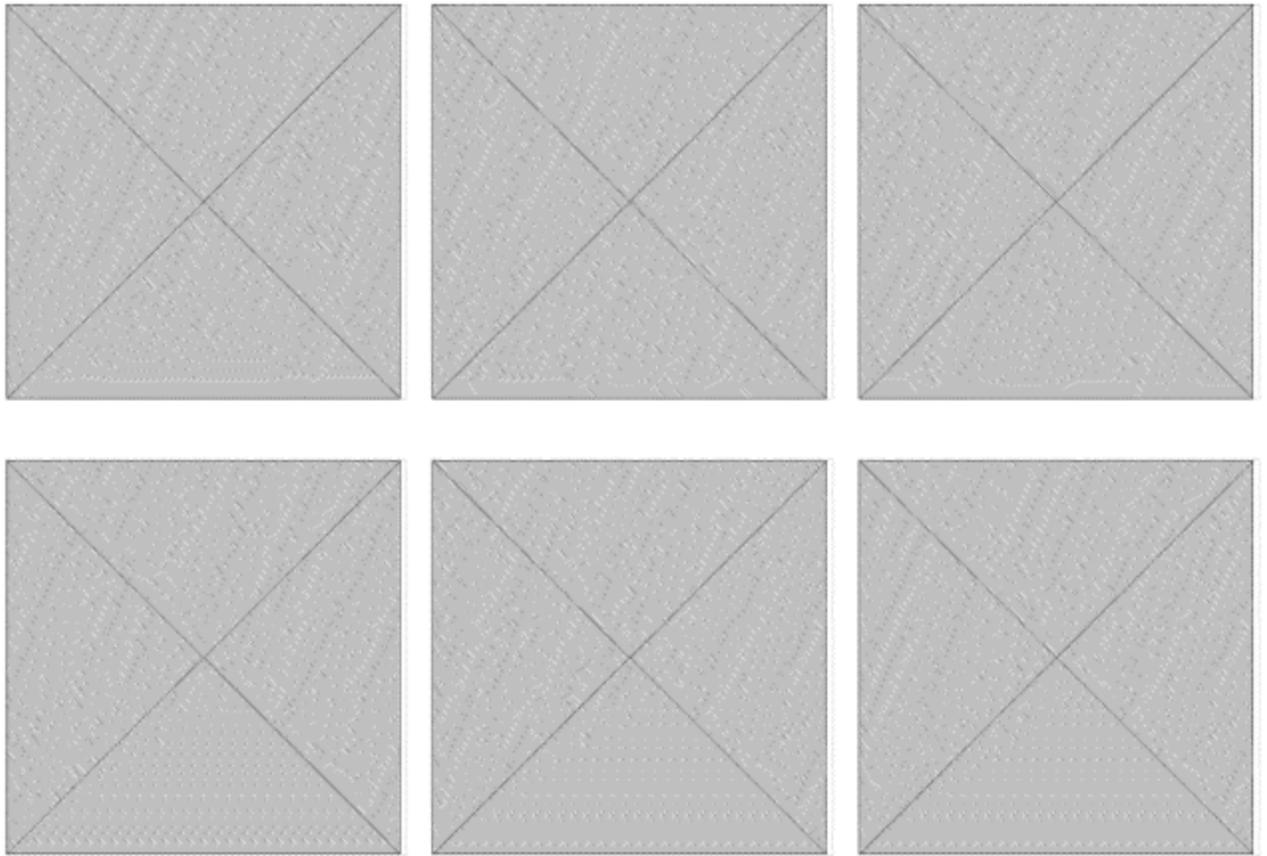

SO WHERE DO YOU "LIVE" AND WHERE DO YOU "WORK?"

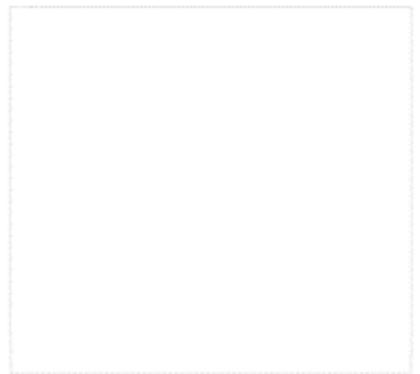

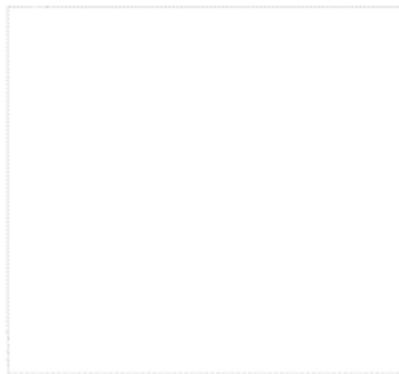

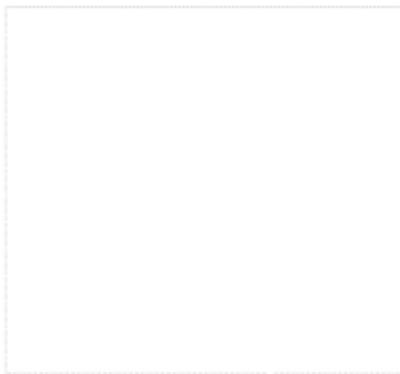

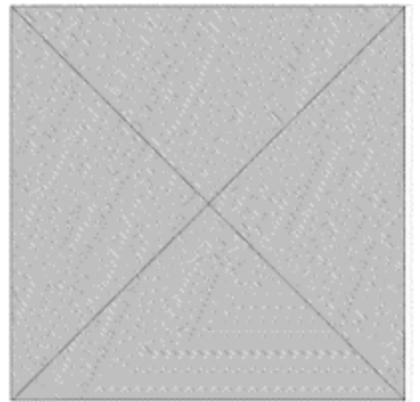

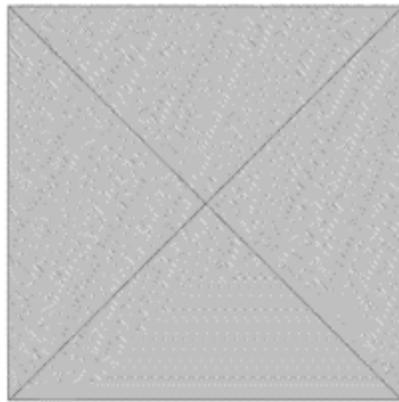

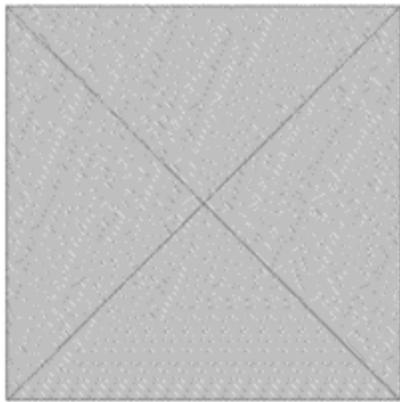

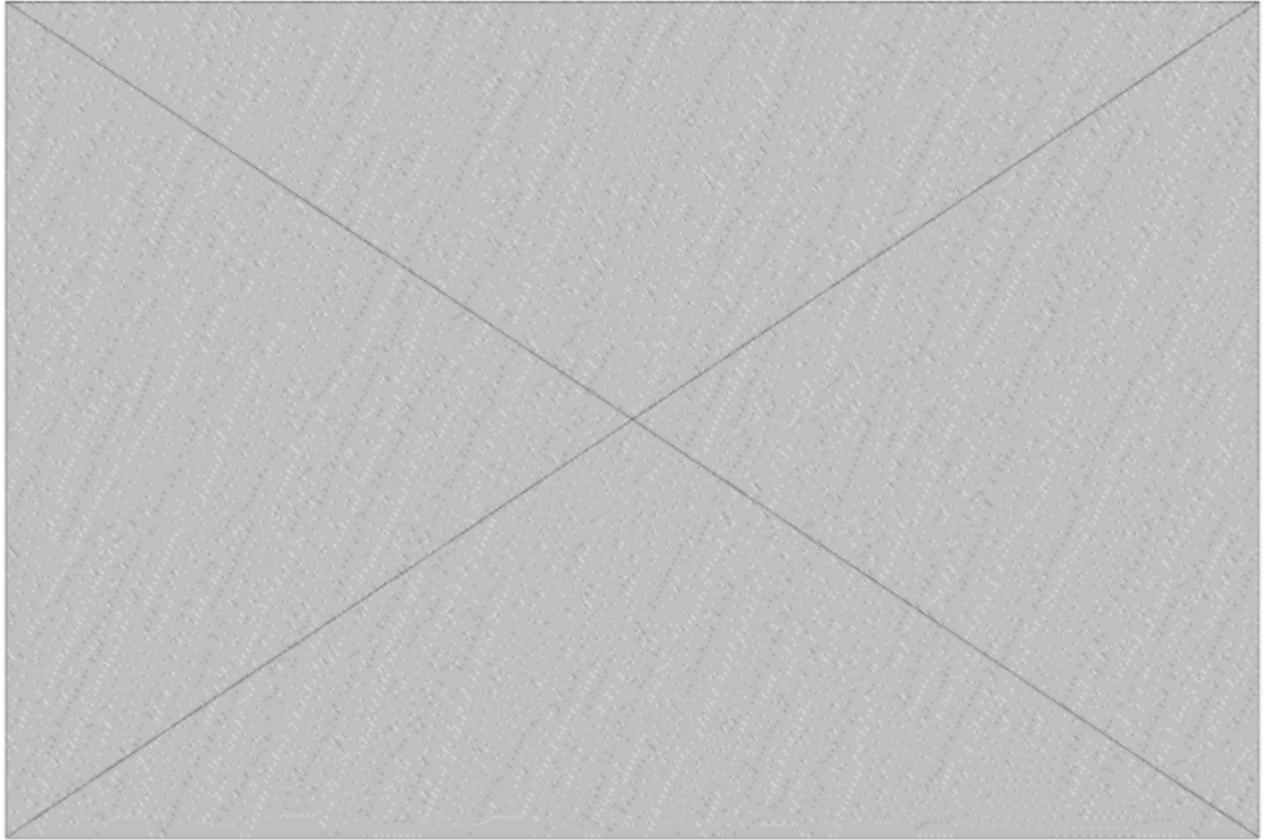

Keep your whole space primed for both, so you're ready to pounce on a new project regardless of where inspiration strikes - from your industrial chic desk to the sofa, after-hours.

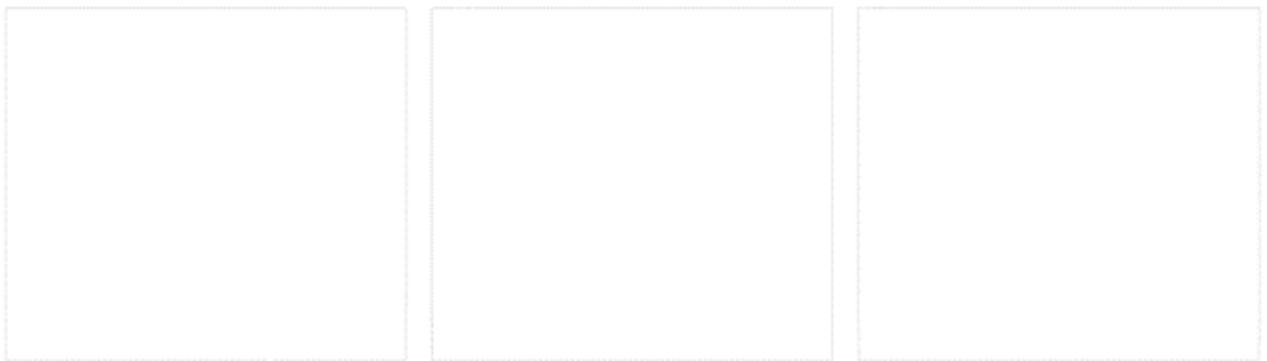

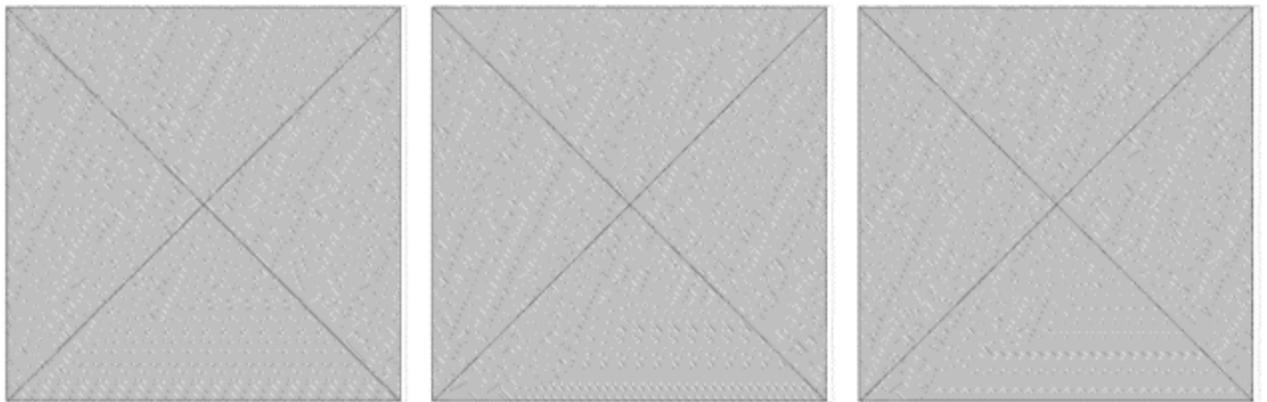

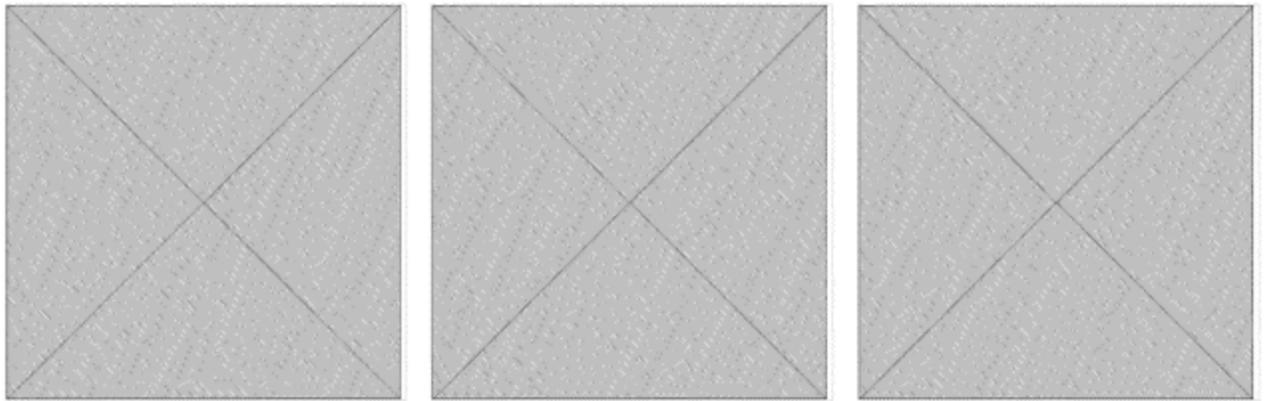

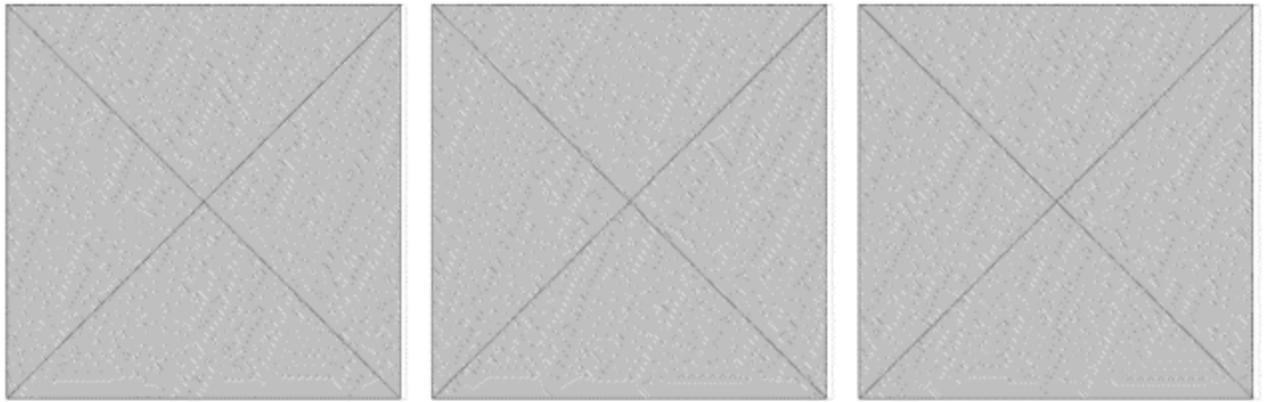

BUT WHAT IF I DON'T WORK FROM HOME?

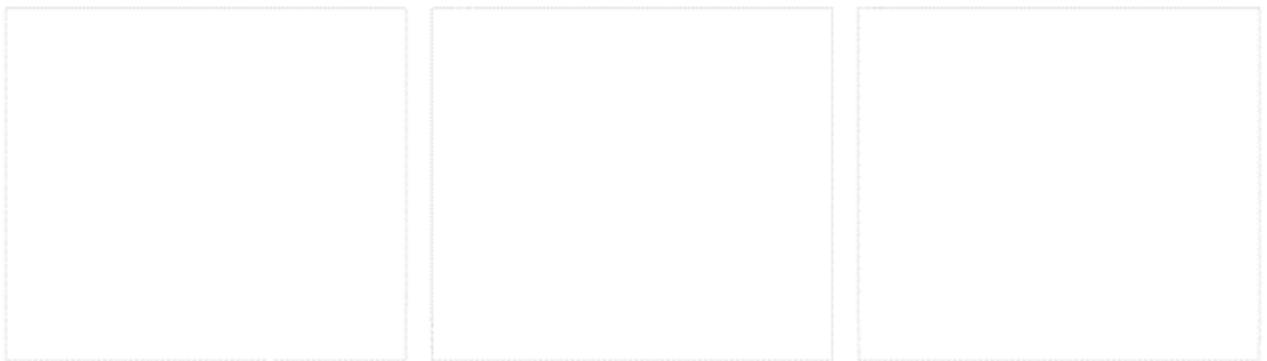

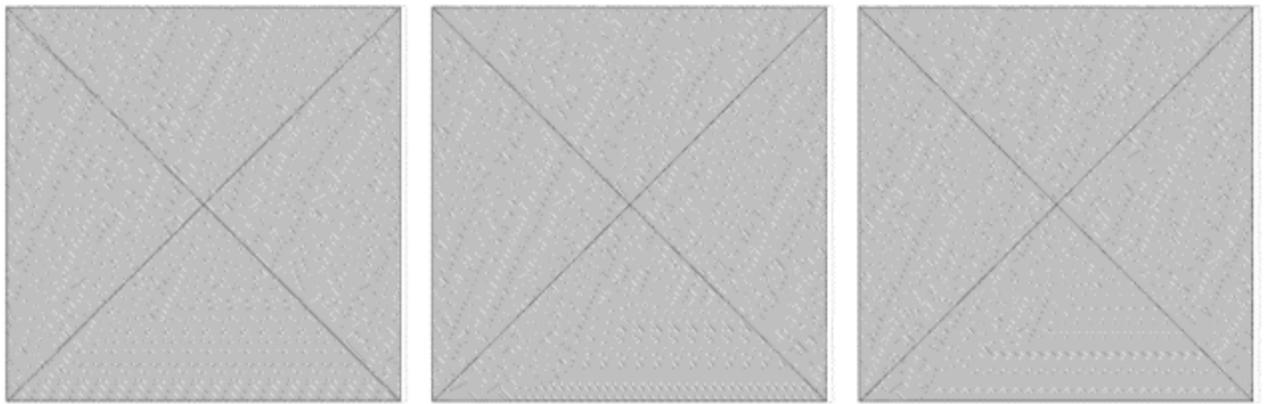

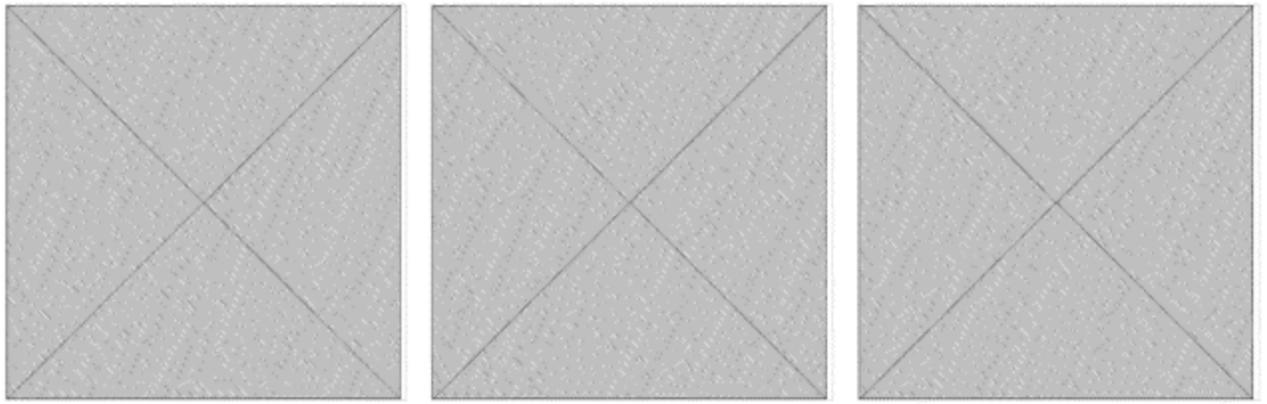

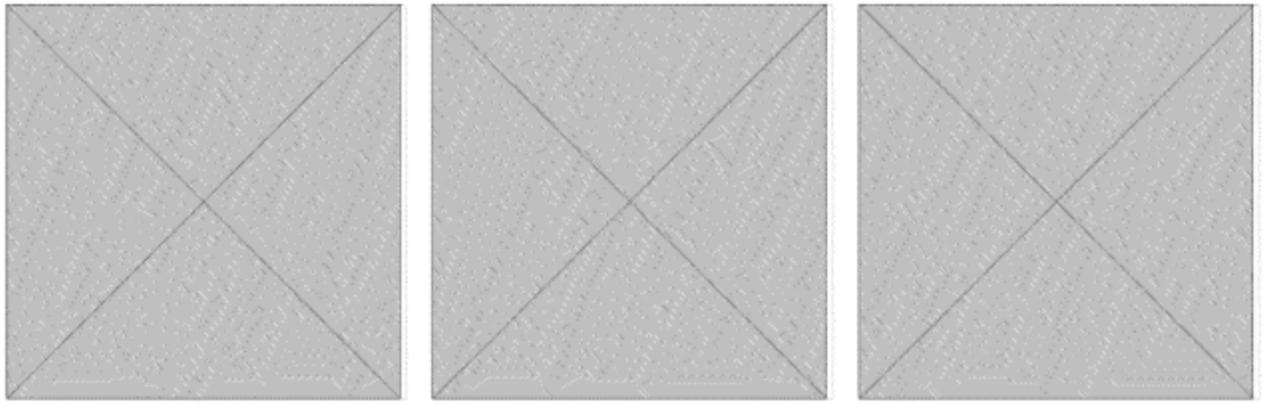

You can still borrow from this trendy look with a few key pieces. Combine dark metal with lighter wood tones and super-industrial lighting to give off that hip, urban vibe. And accent the walls with vintage comic book prints for an artistic twist.

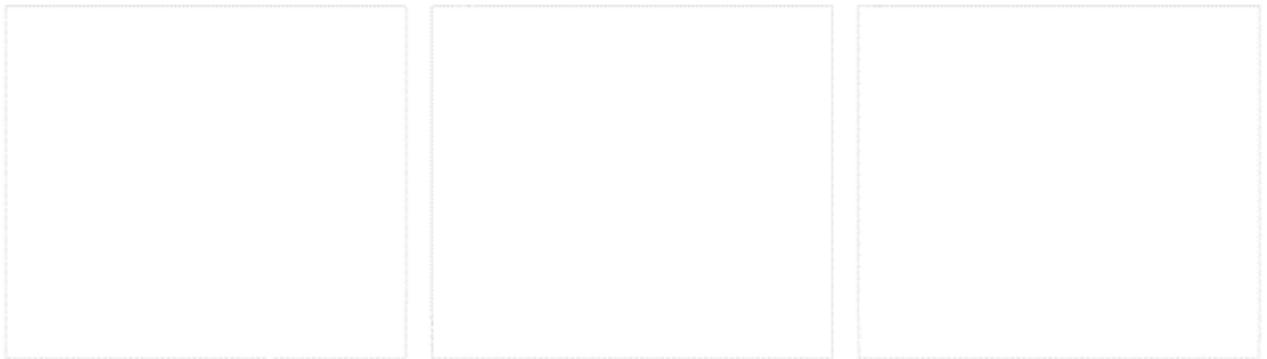

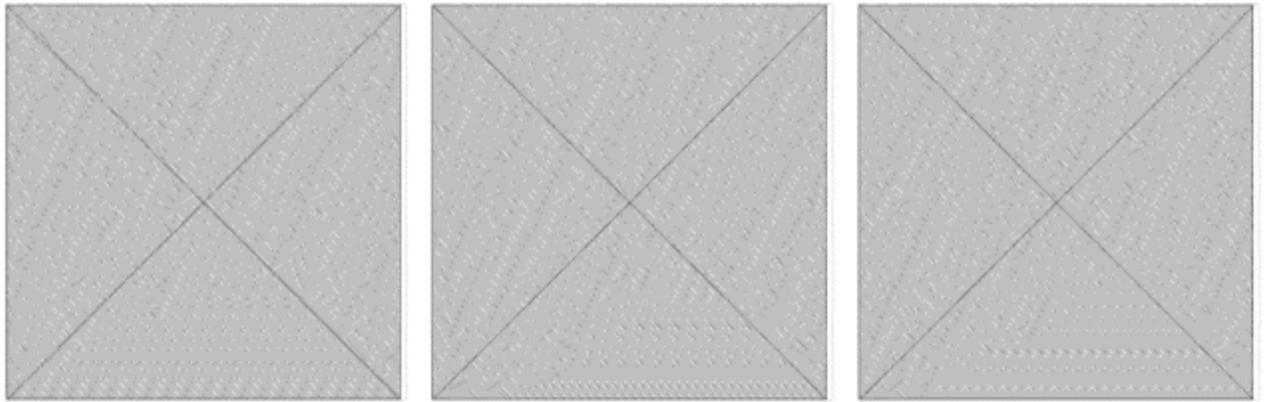

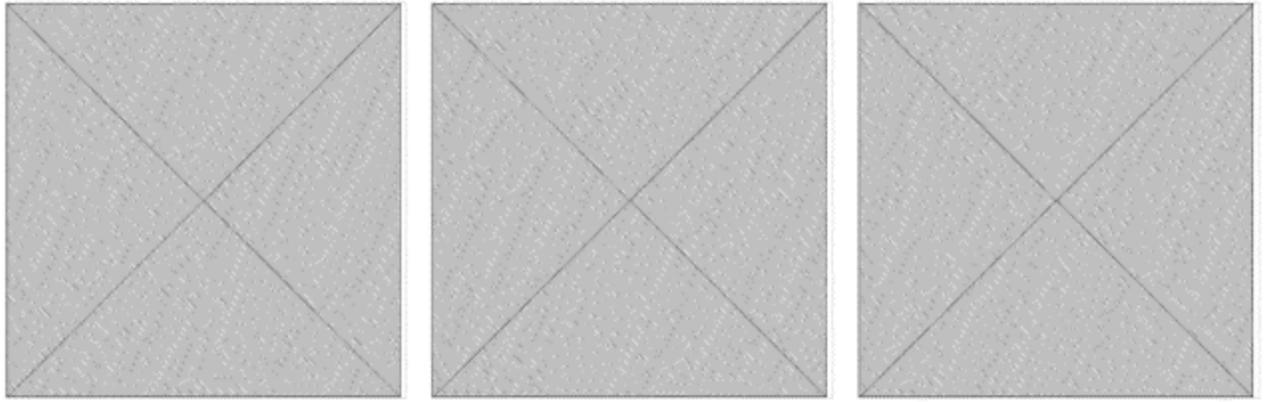

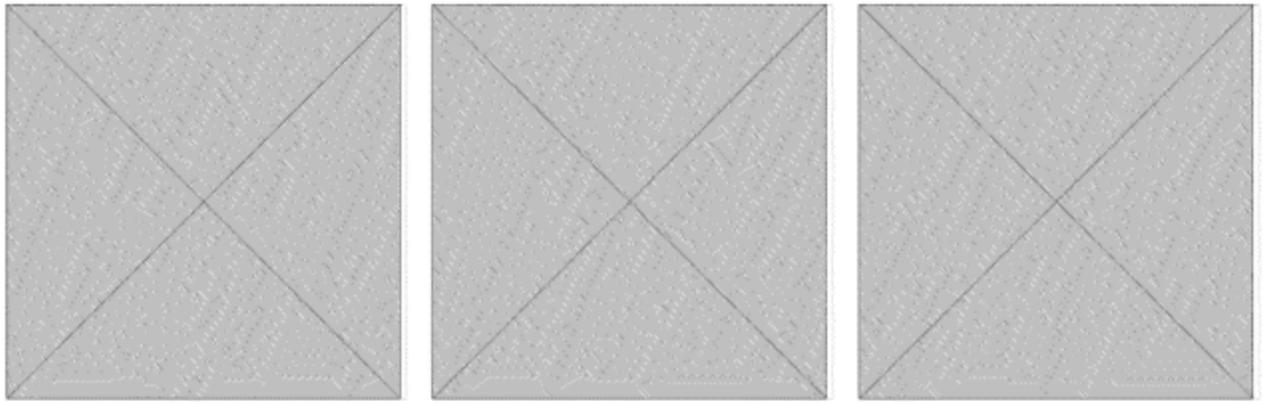

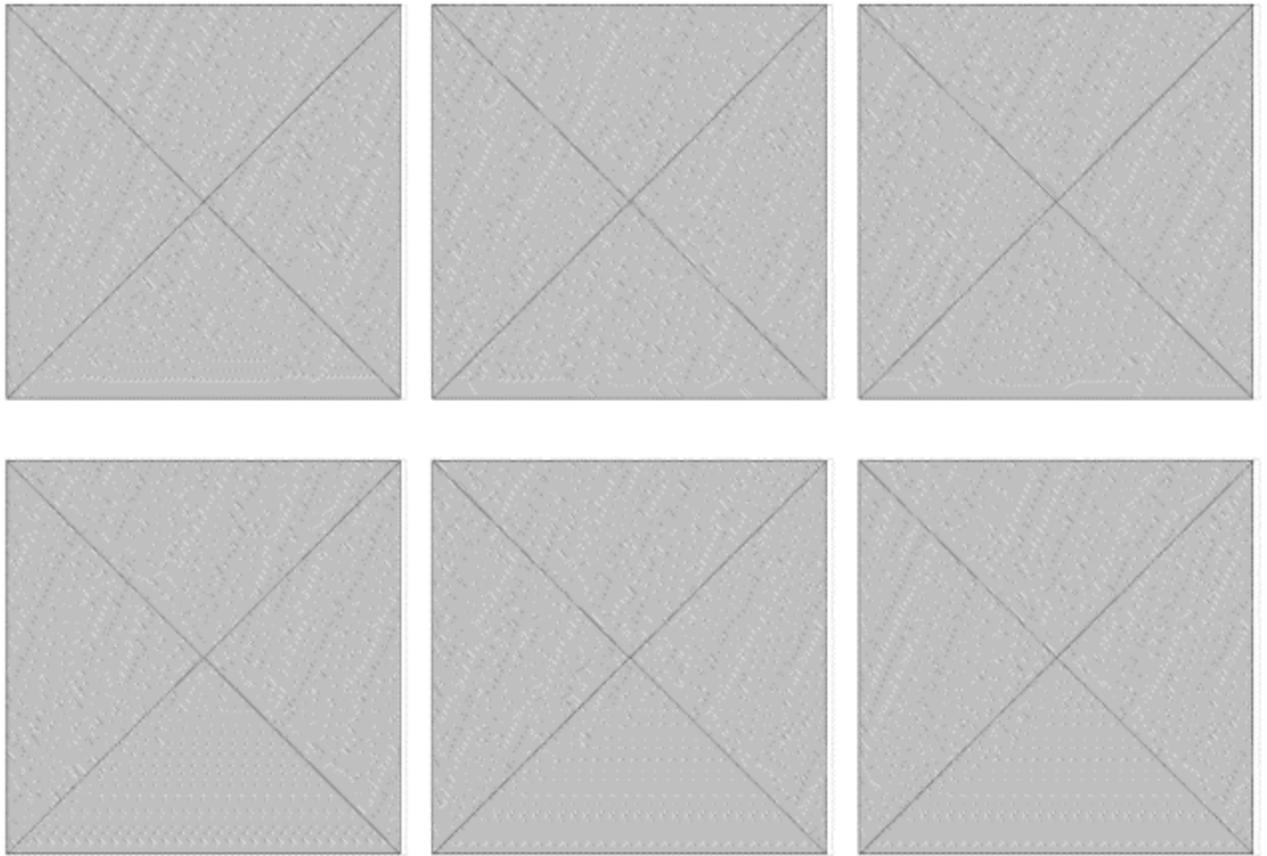

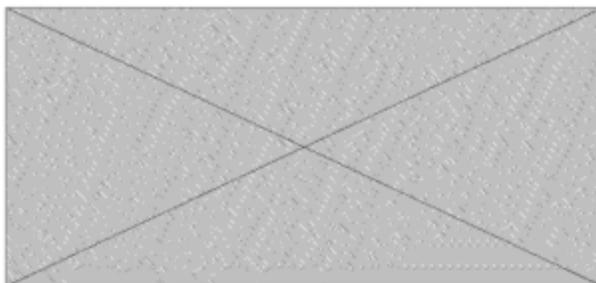

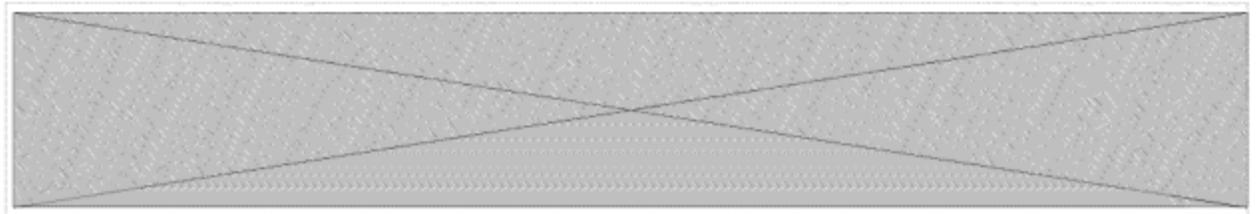

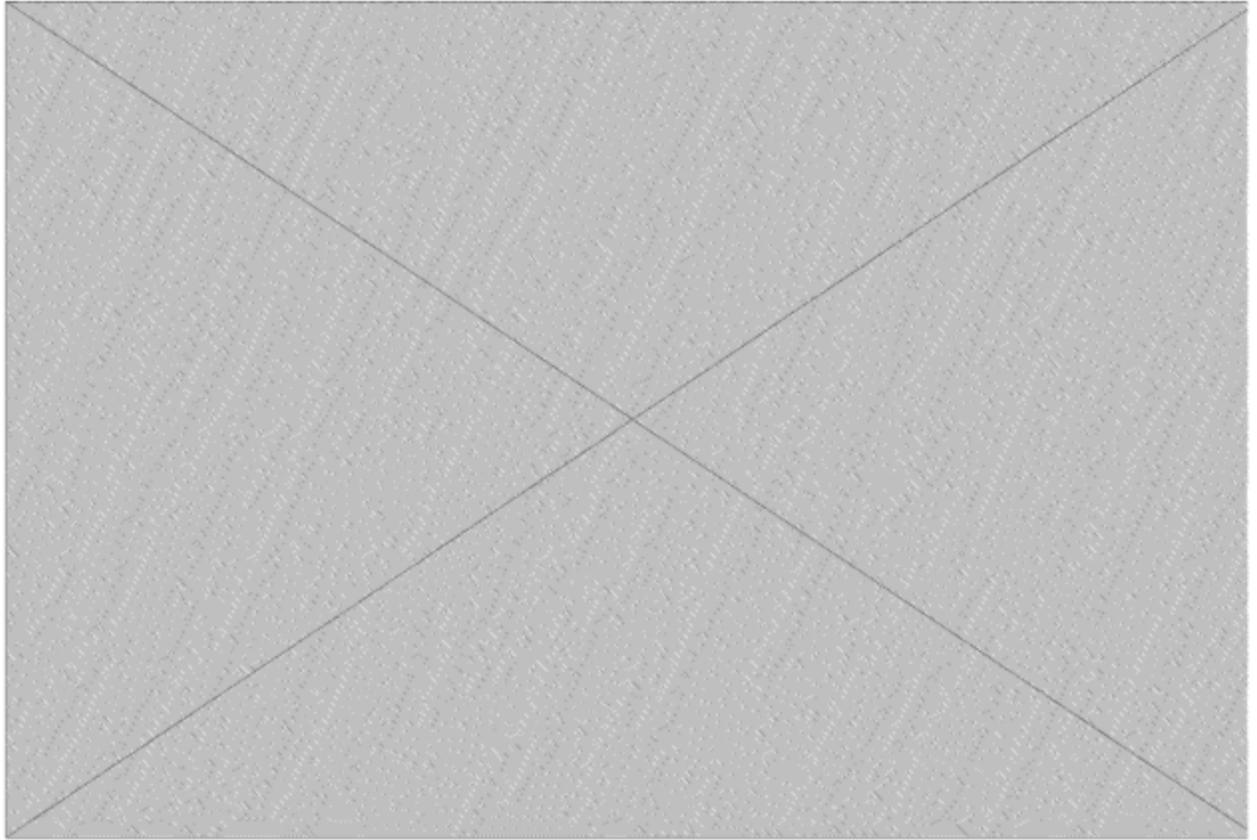

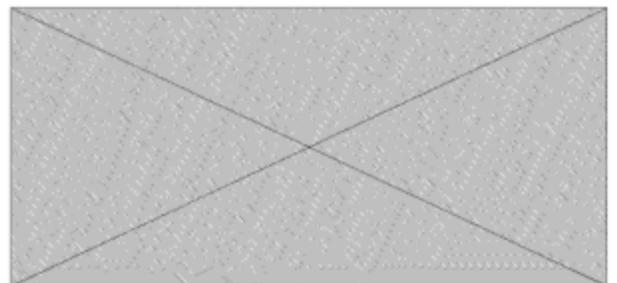

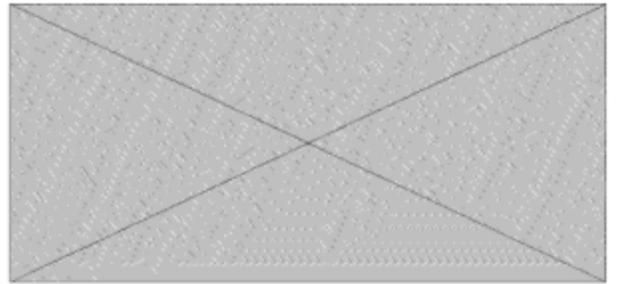

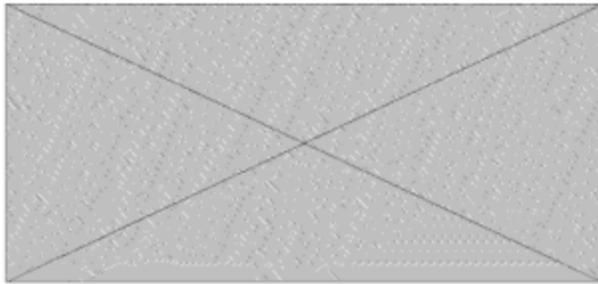

SCANDINAVIAN PRINTS
Liven up your look with playful prints.
