It would be easy for me to visit you anywhere on the east coast. I live in North Carolina and will be back there in two weeks.

Would love to. I am in the bay area this week. LA next. I also have our new prototype head mount with me. I am attaching a few images. The first one shows the Oculus compared to our previous prototype and the new one which is what we will be using as the basis for the actual product. Where are you located?
