You sent me the links to the sites of the photographers - it's hard to understand which of the girls are you. Can you resend either direct links to all your works or just send me your photos? Thanks

Dear [REDACTED],

Mikhail gave your contact details and recommended you as highly successful and sophisticated person in fashion business. I do not have professional experience in modeling business, but I desperately want to start. Please find attached my tests. During last 2 months I performed 4 test shootings with:

Justin Macala

<http://www.justinmacalaphoto.com>

Livio Mamcinelli

<http://www.liviomancinelli.com>

Vlad Loktev

<http://www.vladloktev.ru/>

Nicole Demeshik

I've just approached 28. My current measures are: 174 cm, 95-65-92. I can get closer to standards (92-62-90) with ease in short time. I guess specialization in lingerie and bikini will work for me.

Mikhail re-sent your mail regarding your relations with model agencies (Next and MC2) and fashion photographers. Is it possible to cooperate with them? BTW I met with Wilhelmina Models in Miami in May: at that moment I had only some tests from Livio Mamcinelli; they gave me positive feedback and proposed to stay in Miami to get more test, complete the book and to look what they can get for me; I decided to leave till October because of low season.

What do you think about my chances and prospects? On what markets/countries I should stress on?

I'll be appreciating a lot for your any help and advice.

Kind regards,

[REDACTED]
