Cushions are done and look nice

Outdoor chairs are ordered. Will check delivery time. The thing is they are wicker underneath and I don't know how easy it is going to be to get wheels on.(Igor did our last ones) I asked restoration and put a request in to their manufacturer but they won't do it for us. So I looked at chairs with wooden legs as we could have exchanged. They are a different style to our outdoor set but more problematic is the fact that only the Del Mar Collection (our set) comes in espresso(our color)
