[REDACTED] with good organizational skills, pretty v friendly and nice. She works at [REDACTED] now though expressed interest in the position. She loves to travel and is interested in learning, though she was raised in a church going family and which could be a problem!

[REDACTED] is a chef whose passion is to [REDACTED], she's fun, friendly, she currently works part time at [REDACTED] and manages the house of a friend

of mine in Harlem. It's somewhat delicate as she runs her house in exchange for rent but this could be a great position for her. So I would position it

as a part-time chef position and let the two of you take it from there. My hunch is you'd like her but would have to see..
