yes but you and i agreed that nothing would be started that wouldn't be finished by the end of the day, so my guests' comments re the tramp, kite house, dock, tennis, room condition, on and on, about how shitty the place looks, might have been diminished, John, you and i will fix it. but I must tell you, I don't understand how areas like around the salt pond, take priority over areas that I use: main house, main compound, with partitions laying on the table, that were supposed to have frames months ago. very expensive art pieces laying against the wall in the cabana etc.

I asked the guys to clean up New Beach before purple grass so that we could get a better overview of where you'd want to place the new shed.

That meant that they did not get started before 3pm. It will be finalized Monday.

Captain and driver shirts are ordered and on the way

Thanks

John
