Ciao Jeff, I hope all is good. A few quick points

- 1- [REDACTED] was very happy to be interviewed the other night. I hope she will exceed your expectations
- 2- [REDACTED] I suggest you have her interviewed. She is organizing things for pink floyd and other top bands. She is used to speak and entertain top celebrities and is a very pleasant presence

One last point. Since I financially cannot, I bring this to your attention. I truly believe that there is a chance to get big results with limited investments in checking impact of regular medicines on cancer. There's another article that came out today:

Thank you

Jeff,
as discussed please find attached 2 CVs of extremely valid assistants that can be reliable. One of them worked for me directly, a second one is a friend. They are very hard workers (university with great grades and working at the same time)

Hope to see you soon

Thank you
Gianni
