Dave finished his Boeing simulator today in Miami. I flew copilot for him, so he is current as captain as well as myself.
Boeing will not test fly tomorrow, during high power runs today, maintenance discovered EPR bleed leak and small oil leak at CSD. Should be ready Friday to fly.

If you approve, Dave and I can airline to Brunswick GA after we arrive in Paris and accomplish Boeing test flight so the aircraft will be ready for Zorro ranch trip if you choose. We can return to Paris on July 24th to be ready for 25th Paris to NY.

Do you want us to stay in Paris or airline back?

Thank you,
Larry
