i believe when he came back to us with his offer of 3750 per week he decided not to set up a home base until he knew how his 60 day trial would work out..

Below from John re the apt is temporary...please advise if OK for him to leave some things in a closet...

Can I leave some things at apartment 10B or do I have it just for that week? I have lived out of a suitcase for 6 weeks now and it would be great if I did not have to travel with all my belongings :)

John
