Yes, apparently the new glass hot cup pops the CB only, due to it's Amp draw.,  
the old stainless hot cup works ok, the Krupps coffee maker you purchased works also,  
Meridean will have eletrician work it more tomorrow,  
- plus I'm changing the nose wheel bearings and balancing nose tires to fix vibration after  
takeoff.,

Thx  
Larry

Jeffrey,  
I just received this message from Susan:

Larry, sorry for the delay, Michael will contact JE's office mid- morning tomorrow,  
Monday.
