Hi,
Before you left you asked me about women to hire. Today on mass were [REDACTED]
[REDACTED] with another woman who she usually comes to the church. I met her the
other day. Both seems to be very nice. Daphne said she knows [REDACTED] since ages.
There was also [REDACTED] that Daphne knows. She basically introduces me to everyone
she says hi. I don't know them well but they made a good first impression on me.
Next Sunday I can continue to keep looking...

Hugs
