You have an appt with Dr. Albert Knapp at 9am on Monday July 28th. You are to fast; no food, water or pills 8 hours prior to the appt. I asked for any forms you may need to fill out and there are none. I was told the doctor asks you questions and puts them right into his computer. They suggested you bring in a list of all medications you take. Dr. Knapp does not take any insurance at all ...not even Medicare.
