COMMENTS:

DISCLAIMER:

1. Fuel quotations are valid as indicated above, subject to change due to market variation, and/or exchange rate fluctuations (where applicable).
2. Taxes, Intoplane Fees, and other Fees are subject to change without prior notice and may vary according to flight type and destination involved.
3. For locations outside the United States, Mineral Oil, Excise, and Hydrocarbon taxes are estimated for informational purposes only and their applicability may vary according to the country. In some cases, these taxes may not be applicable based upon the nature of the flight operation. However, should the local authority deem them to be applicable, we are obligated to pass through tax liabilities. These taxes may be assessed via supplementary invoices. In order to minimize tax liabilities, it is incumbent upon the aircraft operator to present all required documentation to the applicable authorities and to ensure their flight crews accurately complete all necessary paperwork at the time of fueling.
4. For locations in Mexico, ASA Fueling Fee will apply to uplifts of less than 400 gallons, ASA additional price will apply to fuel requests with less than 72hrs notice and SENEAM navigation charge will be charged to all corporate/adhoc flights for foreign customers only.

SINCERELY

MR. Oswaldo Umana Bonilla

On behalf of: **Hensel, Ms. Jamai**
