Nathan is hoping you have time to visit his office as well as the culinary lab. They are 4 miles apart and it takes about 15 minutes to get from the office to the lab. I am being asked what your time constraints are....the culinary lab is the priority, but Nathan is hoping you could do both. I told Claudia you could be to them by 1pm...she is asking what time your next meeting is and what time you feel you would need to depart...

Do you want to see the office and the lab? What time do you need to leave Nathan's for Gates' appointment?
