Jeffrey,
I have "Big" / "Heavy" tower Kilptch speakers I purchased from Best Buy for
Gym., total only \$750.
The Martin Logan's we currently have are the largest Best Buy sells, the next step
larger would be B&W for \$3200.00 for the pair, which appeared to
be same size as current speakers.,
I don't thing you'll be disappointed with these large Kilptch towers.,
If you don't like them I'll return, Best Buy's exchange program is easy.

What time is good for you, to set up Gym speakers?

Thx
Larry
