Hey Jeffrey. All is well. The acct is at 4.25mm but is understated as we have a lot of in the money long term options and the spreads are sometimes wide. TD Ameritrade marks them at the bid price even though there may be gey and black pool bids in the middle or close to offering. Anyway I am doing well and very comfortable with our portfolio. We have a few names that I feel can be 10X++ I would like to discuss with you. If you have a chance call me. Hope you are well
Bruce.
