Dear Mr Kahn,
The best we can do at this time is to strip the Doors and stain it . This may be an excuse for the owner to decide on the color. We worked Saturday over 12 hours (2Xman) and today I set up the scaffold and than worked from 2:30 pm to 8:30 pm. The Doors need another day to be finished with the the stripping and staining. We can resume after the owner is gone.
We applied the stripper 3-4 times to show the wood.

Dear Mr. Kahn,

Right after you gave me "go ahead" with the Doors, I worked all day

Friday till 7:45 pm and than Saturday from 8:00 am till 8:15 pm. By than

I was pretty exhausted and we went home.

The Arched section as stripped of finish, neutralized,
stained and

colored. As we worked down, I was hoping to strip
entire Doors this past

Saturday, but I did not have such luck. I will try to do
partially in

the morning this coming Monday, and than Monday later
in the afternoon

till may be 8:00 pm. I just hope to finish stripping the
Doors by night

on Tuesday and cover it at least with one or two layers of
varnish.

There is a lot of details on the Doors and the cleaning just
kills my

time. Comes Monday we will talk about the schedule.

Kindly,

Brandon Thompson
