Historians have recounted that the word Poland is pronounced as *Polania* or *Polin* in Hebrew, and as transliterated into Hebrew, these names for Poland were interpreted as "good omens" because *Polania* can be broken down into three Hebrew words: *po* ("here"), *lan* ("dwells"), *ya* ("God"), and *Polin* into two words of: *po* ("here") *lin* ("[you should] dwell"). The "message" was that Poland was meant to be a good place for the Jews. During the time from the rule of Sigismund I the Old until the Nazi Holocaust, Poland would be at the center of Jewish religious life.
