Dear Jeffrey,  
hope you are doing fine! maybe even in St James paradise on your island :)

I am in Monaco living the best life I can wish for, developping intellectually and having a lot of fun times with the smartest and most successful people you can find in Monaco

Prince of Saudi Arabia is interested to hire me as his personal assistant. But he proposes ridiculous money and not telling me exactly what I will have to do.. anyway, i will try to negotiate the best I can.

Some other people also look into my CV and want ma as a PA here... They asked if I ever worked as PA, I told them that I helped an american philanthropist for 5 months and enumerated what Sue, Jennifer, Sara were doing.. since I could not say that my job^^ was to introduce new ladies to my boss ahaha . Just so you know. Tell me if it is ok, or you want me to stop inventing my experience. Nobody will contact you or anything, dont worry. But please let me know if it is fine and you do not care what I say, nothing pesonal about my "boss" or whatsoever. I am a smart girl. am just trying to get a paid job once I finish free internship for HSBC Private Bank in Monaco.

I miss you and maybe we see us in August this summer like it was in Aug 2011 reading the annotated Lo-li-ta

Love, [REDACTED]
