Jeffrey,

This is a tricky and sensitive situation. I had to check the progress on work that Pokie and TJ are doing in the Managers Cottage. I had to walk through the cottage to get to the work area, and I was not happy with what I saw.

Flies everywhere, filthy kitchen, filthy floors, trash and unsanitary conditions.

I understand that Ana cooks your food here, and I think that is a health risk. So, I'm concerned about that.

Sophie lives there at the moment, but I doubt that she is the one who has made this mess in just 2 days.

Obviously, 4 people living in a 1 bedroom apartment will never be easy, and I know that Ana works long hours and may not have time to clean... But, I had to bring this to your attention.

I recommend that your cooking is done in the main kitchen where housekeeping is doing their daily clean-up.

John
