jeffrey, . I m sure you will find this emal surprising, as you and I have never had any real contact. That being said I was surprised to hear that you had referred to me as dishonest. If my report was accurate. , I would welcome the oppportunity to sit with you to hear the reasons behind that statement. As both you and I are in the springtime of our senility , I see little reason to leave any tension that may exist unexamined. If I have done something to justify that moniker, I promise to try to make it better. if possible. if you think I deserve a yellow flag. I think a carfully examined replay might call into question your call.
