This is the moment much of the world has been waiting for. Television sets are tuning in, all over the globe. Screens will sync up to see the world's best athletes face off on soccer's biggest stage.

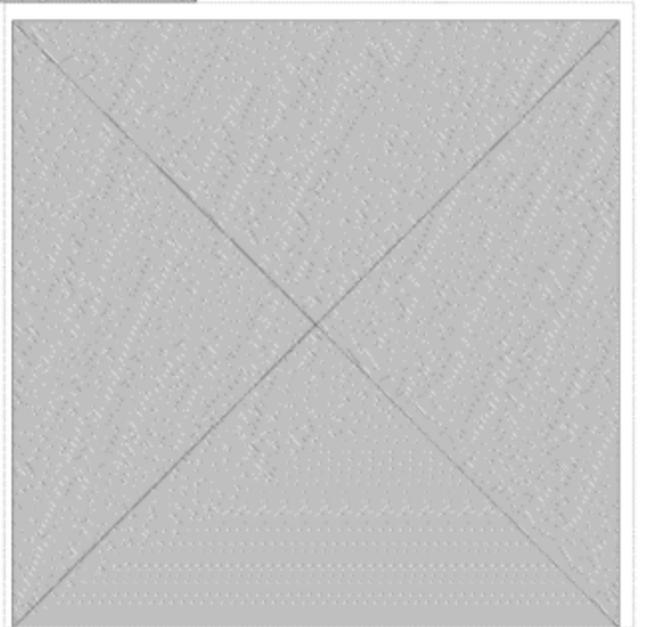

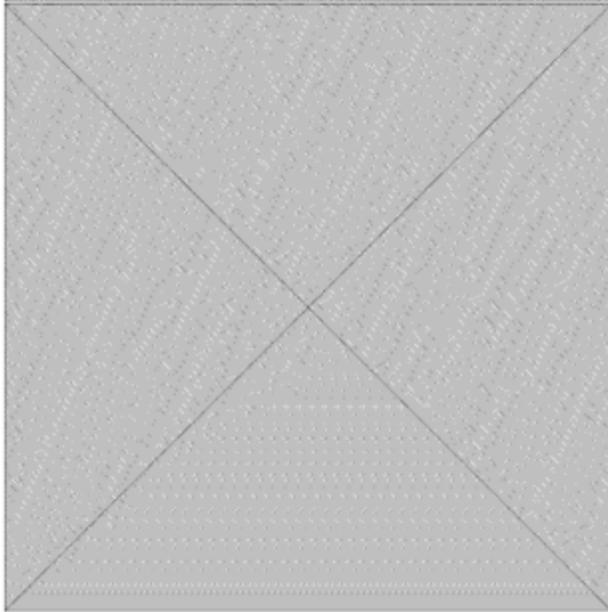

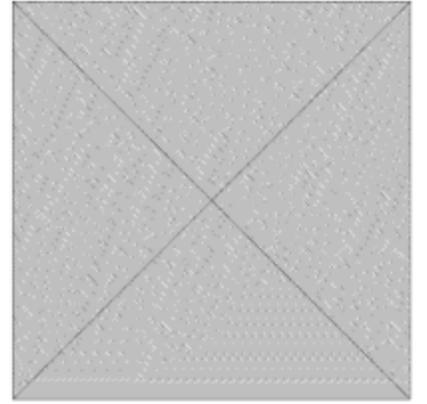

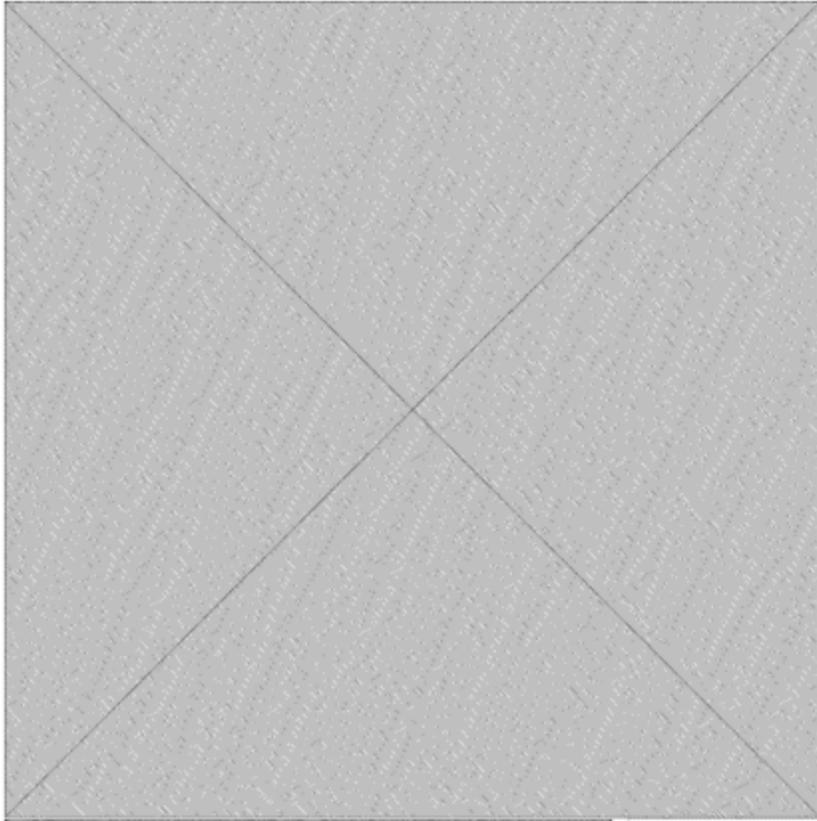

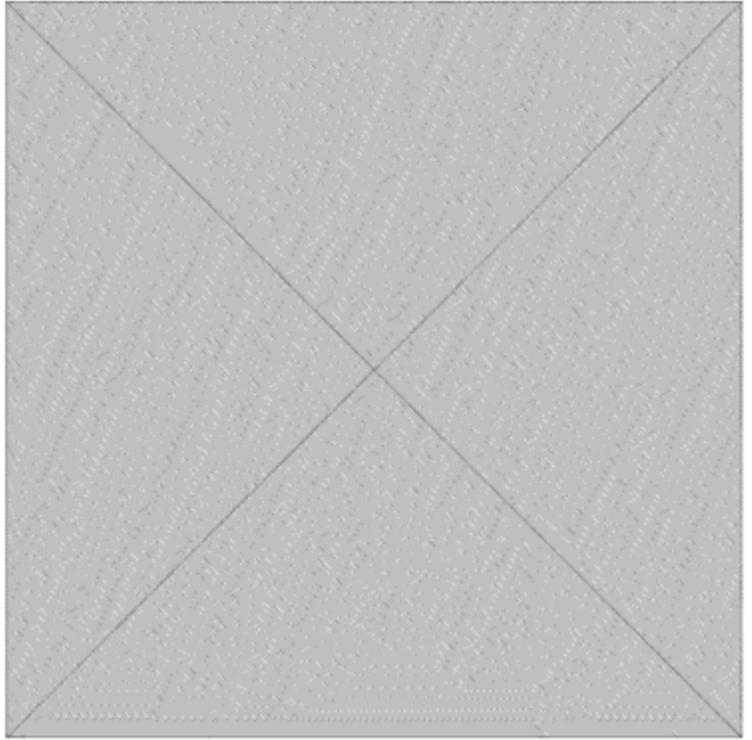

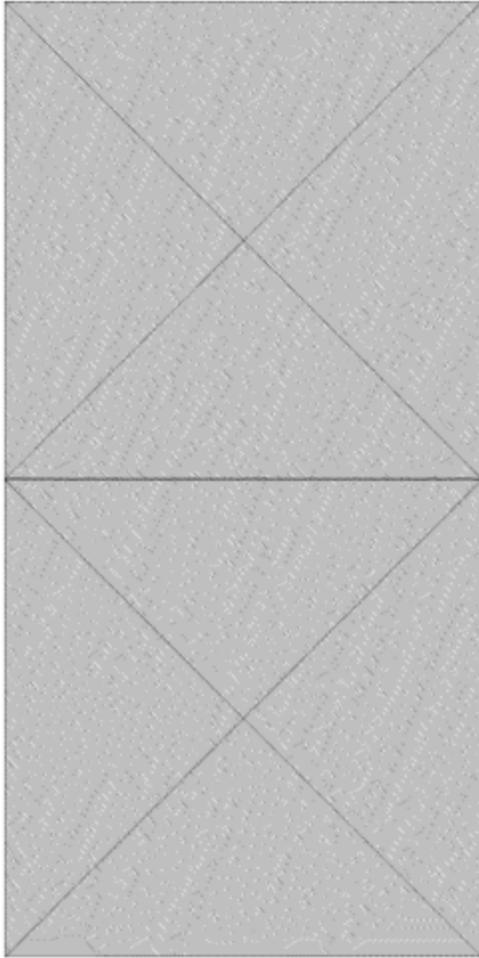

So where will you watch? Get your home lounge ready with plenty of nods to host country Brazil. Choose the right media stand, add plenty of comfortable seating, and round up enough barware to keep your fellow soccer fans quenched and happy. Then dim the lights, cue the cheers, and be ready to watch in awe till the last penalty kick darts into the goal.
