Dear Jeffrey,

how are you doing? There is a book I would like to send your way; are you currently in NYC?

The programmers will arrive on Sunday and Monday. My bank account is rapidly emptying, and I will need to feed and house them. The B&B can send a bill directly to any address we give them, and they have taken care of their tickets (in the hope of being reimbursed).

is there an assistant that I should contact about the details of the workshop funding? I should probably have done this earlier.

Bests and thank you,

Joscha
