Subject: Re: Plastic wood samples

There are two samples on the white table. The large sample is the preferred one since it's in stock in Florida, has free shipping to the ferry and about \$2K less than the small sample.

Note, the large sample has more of a tree pattern, the other is more plain.

Daphne just received the final sample of the plastic wood for the dock today. Can I drop two different samples at the white table for you to pick?

Thanks

John
