Jeffrey,
I'll research the Great Gatsby design,.
in the mean time, when we first painted the Boeing Titanium silver, we painted the upper and lower surface of wings "Boeing Gray 707"
if we use Starlight Silver as you selected, it works well with Boeing Gray for wings, as well as Titanium,.

Can I have your approval to paint upper area of wings at least, painters are ready to shoot color tomorrow,. We have at least 5 days to iron out stripe and design, I'd like to at least get wings shot,. Boeing Gray 707 is on your color chart,.

do you approve of Boeing Gray for upper surface of wings at least?
-we will paint lower surface of wings what ever color you decide for Fuselage belly,.

thank you
larry
