FURNITURE DECOR & PILLOWS BED & BATH KITCHEN & DINING LIGHTING GIFTS & SEASONAL

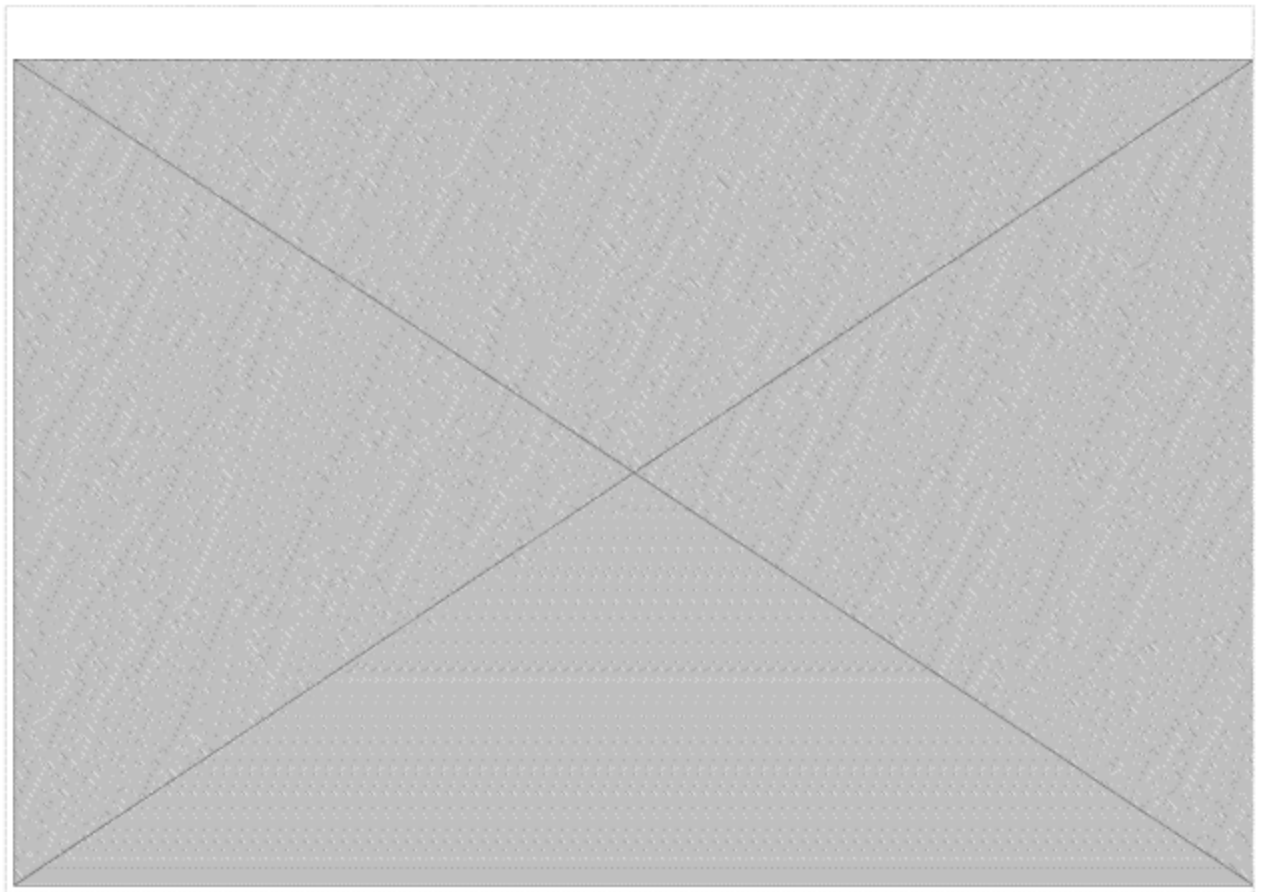

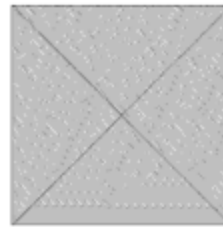

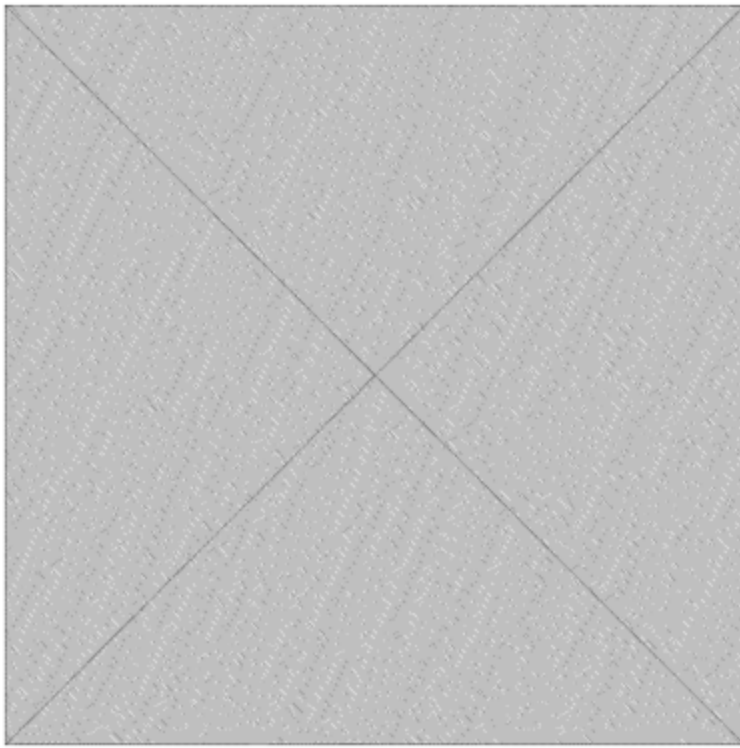

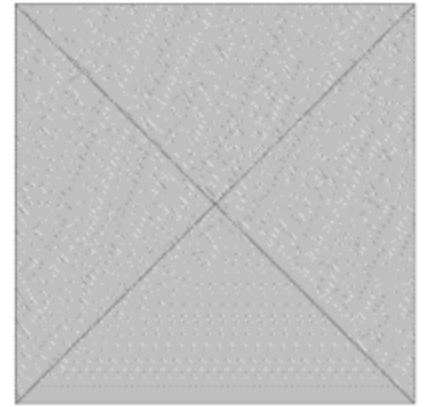

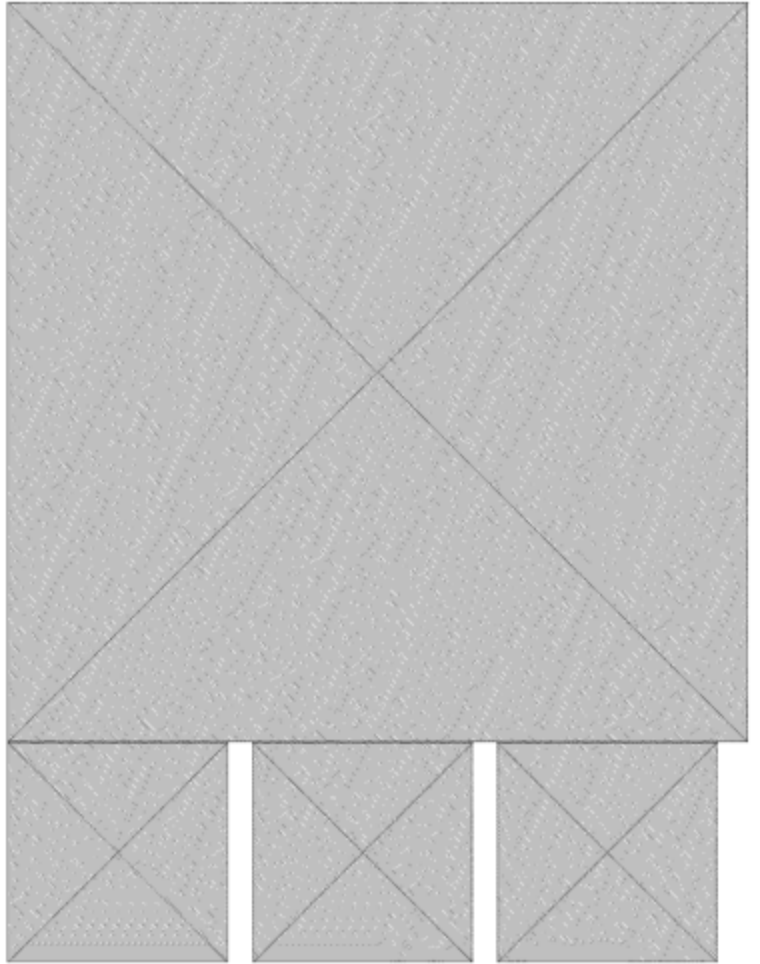

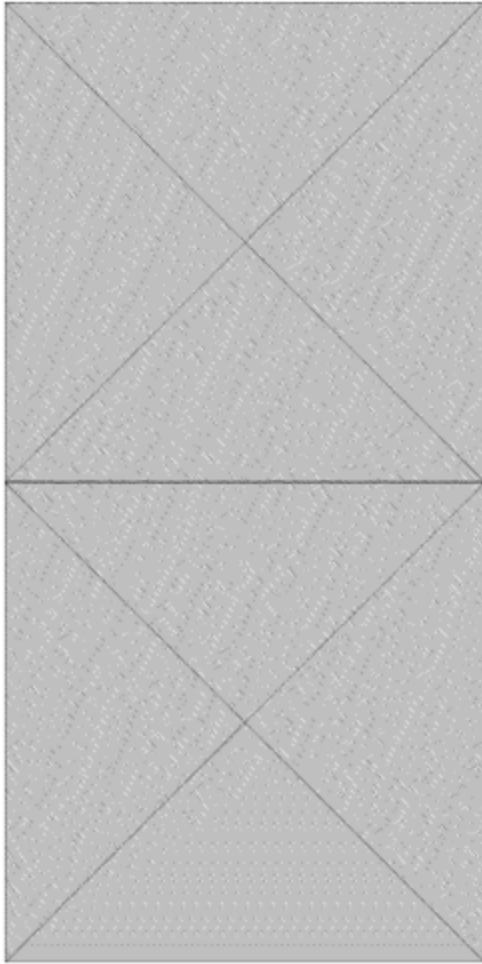

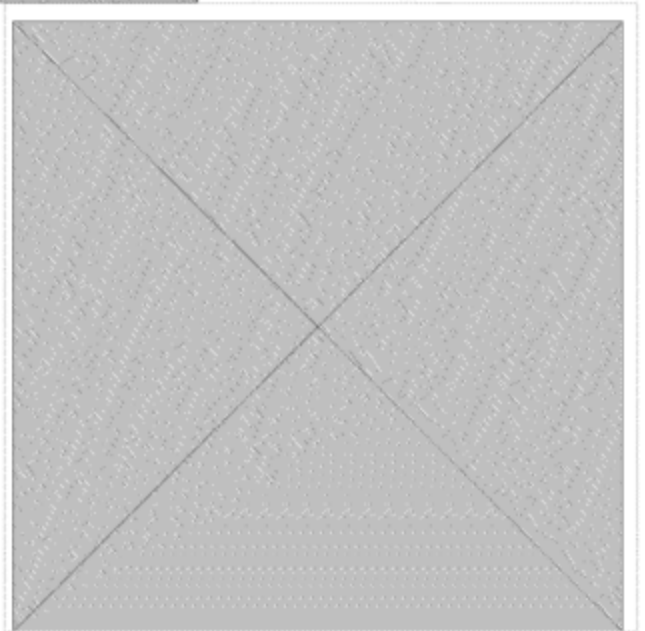

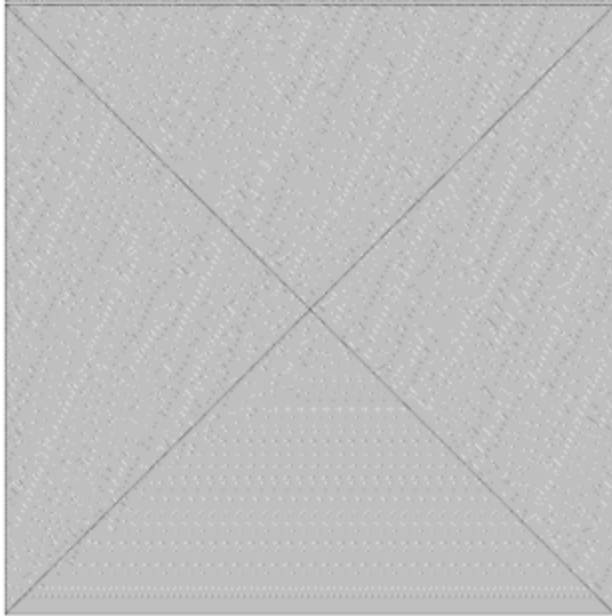

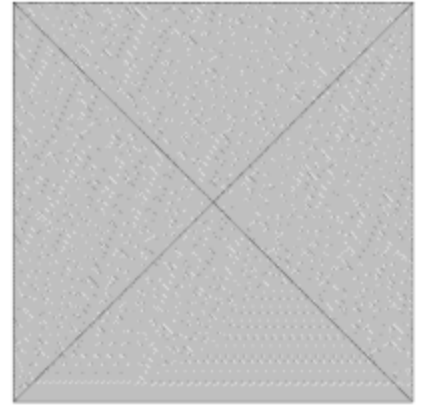

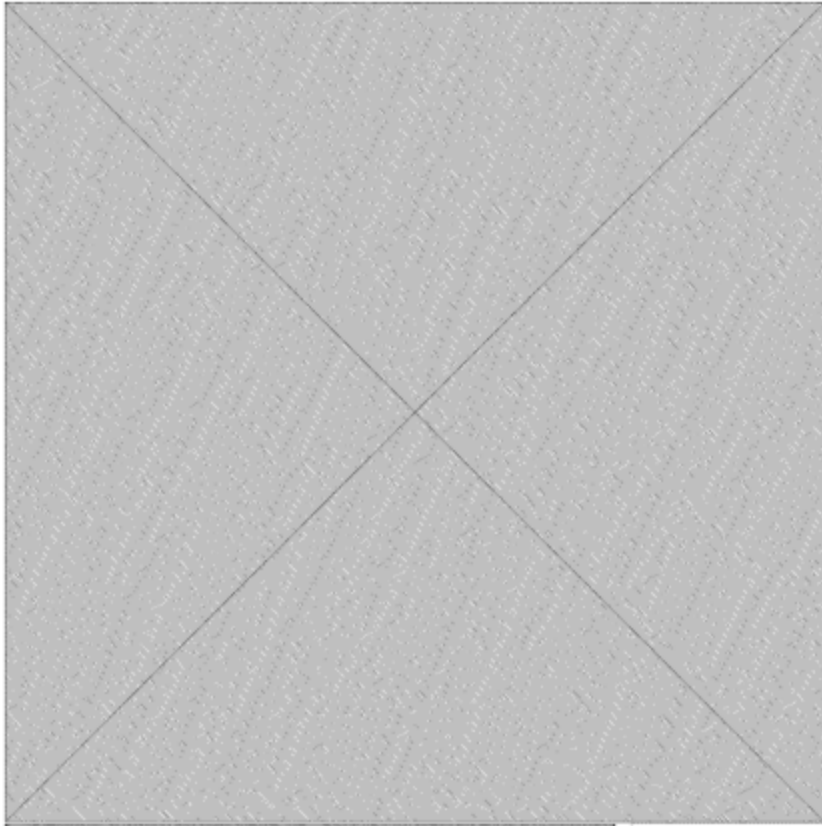

There's a lot to love about modern industrial design: the way it balances basic materials with striking composition, the way it makes use of vintage and rustic inspiration, and the way it co-

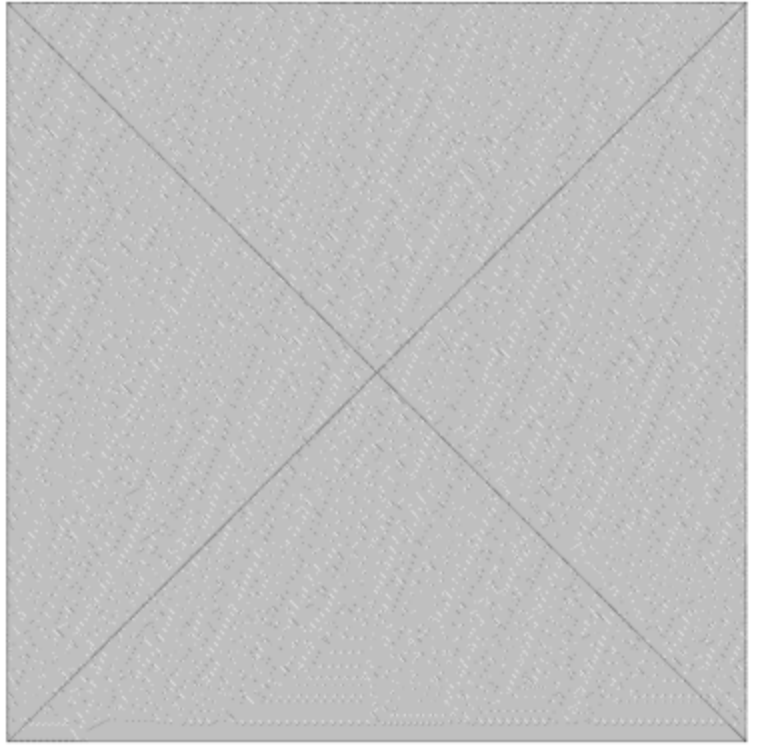

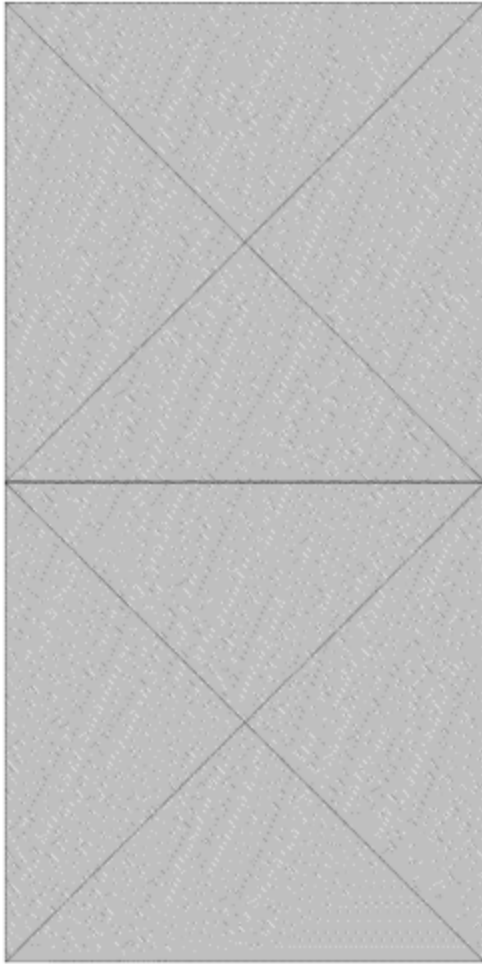

ops everyday items into functional pieces to keep your space minimal and organized. And that's just the beginning. Today, we've ambitiously tried to capture all of its best offerings as part of our Organize by Design series. Take a peek and find a few items to help you build the chic, organized home you've always wanted.
