Nicholas wasn't at the dinner - he came after 11 pm when everyone was leaving. A friend introduced us but was time for me to leave as everyone was getting very drunk.

Spoke to Eric - he had just found out that he was not going to the forum anymore :(

Todd's dad was VERY mean - will tell you over the phone, almost yelled at me when he found out that I work for you. A Crazy man.

Made a few new friends - inga and Keith roubenstein.
