Subject: Permission for Site Visit by "Surge"

Good day Boss,

Cecile and I had a meeting with a new ISP company named "Surge Communications". They are offering us a better price per MB than Choice (50 MB at \$1000.00 - \$20 per MB vs 15MB at \$2,625.00 - \$175.00 per MB). The representative, Mr. Carty would like to view the LSJ tower location and speak to Terrence about 'line of sight' to one of his facilities. He does not think we need to lease the SBA tower, he may have other options. He is available Thursday morning at 9 am – 10 am. Do I have your permission to setup this meeting on LSJ and may I schedule them for Thursday morning?

Respectfully Submitted,

Jruan
