dear Jeffrey

it was great to talk.

our current lease ends on 30 June 2015.

in September 2014 May has to present a finance plan of PED.

so it would be good to get something this summer.

we could then extend our lease until 2017.

(in 2017 the master lease of the kennedy school ends.  
then the space could be leased directly from the owners of the building.)
