I just got in. The venue was about 40 minutes away so we had to come back on shuttles.  
If I fly at 6am I will only get one hour sleep. I am so exhausted I feel like I physically just can't do it .I could take a later flight landing at 3.15  
I want to make everyone happy but I just can't move anymore ... ♦  
Thank you for the flight and hotel. It was so wonderful to see jackie so happy and to spend time with [REDACTED] family. I really appreciate it.  
And I met a nice boy... Jewish ... :)
