Hello Jeffrey.
I hope you are well!

The lawyer told me that he sent you an email with the infos. Apparently he said that they needed a name to make an invoice (for the justification of the transaction for both sides and also for you to have a document that proves that you are owed). Or maybe they should just put your name? Or it's not needed at all, maybe just a document that says that you gave that?

Thank you.

Best,

Nina
