**Subject:** Fw: Resending - Question re Beach Clean-up on LSJ

Hi Jeffrey,

Please see below.

With warm regards,  
Cecile

Good afternoon Mrs. de Jongh-

Can someone from LSJ provide pictures to us as to the nature of debris that would need the use of a backhoe? We typically try and avoid having large trucks on the beach, especially during the months of May-August as it is the height of turtle nesting season. If the use of a backhoe is approved, it would have to be a rubber-tired machine and the turnaround period would be pretty quick (2-3 days max)

Good morning JP,

Mr. Epstein would like to know if he can clean up some garbage that has floated up on the west end of the island. It will require the use of a truck and possibly a back hoe to haul it away as some of the items are rather large. Please let me know if this is fine with you.

With warm regards,  
Cecile
