Hi JEE..

We've decided to take a vacation before the floodgates open in August (not one, but two sections of kids will show up -- there were too many good applications to turn them down). And there's no place I would rather spend time than NYC. So, two questions. First, will you be around at any point from 7 - 16 June? Second, is one of your apartments available for any of those days?

I hope all's well by you.
