Wow....how fun that must have been racing ! Can't quite compete with the 22 room apartment and all the trappings of wealth but I have certainly had some fun when younger cars , boats and playing polo...I was with Elite model agency travelled the world became a TV presenter and then various movies only small parts though last movie I did was Stanley's Kubricks " eyes wide shut"very good friends with Prince Andrew and Sarah and the girls ! Perhaps when you are town if you like and they are around I could organise a drink? But yes I do agree I also just want some peace in ones lifeso lots to talk about on all fronts about our past lives ! So I hope at least we both have found a new friend ! I look forward to meeting you and hearing of all your interesting tales4 Tony Awards.....

Best
