Howard Gardner called to catch up...he says he read that Jerry Edelman died!
Howard has been in and out of the hospital this year...2 surgeries...but he is
doing well and back at work...Howard would love to speak with you and is
available up to 10:30am today...if you can't give him a ring today, he is asking
if we can set up a day/time to catch up as this is a busy time of year for Howard
with graduation and all.
