Subject: Tuition Assistance Policy and Cost Analysis
[STC - Tuition Assistance Policy.docx](#)
[STC - Tuition Assistance Cost Analysis Final.xlsx](#)

Good morning Jeffrey,

As per our conversation some weeks ago, I have drafted a tuition assistance policy. I have shared it with Erika and she said that it is one that the EDA would very much like. Please review the policy as well as the attached projected cost analysis and let me know your thoughts. This is the last piece that needs to be submitted to the EDA for STC.

With warm regards,

Cecile
