Subject: Berklee Music course in Boston

The avg age of the student who attends this course is 17. Most students are between 15-19, then you have the 19-24, and then a few 24+ age. I was told it is not unheard of to even have a 50 year old who is looking for something to do in the summer. 28 years old is completely acceptable but she would not stay on campus.
