Hey Bossman,

I went to both high schools art department on St. Thomas and I was referred by both schools to find a teacher named Mr. Peterson who does all the murals and artwork along the highways as well as the Carnival booths.

I found Mr. Peterson at one of the elementary schools on St. Thomas "Uller Muller elementary school" he said for the type of work that we are requesting he cannot use the elementary students because they are not advanced for that type of work.

He said that normally he would charge about \$500.00 to paint on anything 4x8 but since "I'm family" small world :) he would charge me \$650.00 to do a 3D effect on 2 plexi glass 4x8 of nice Caribbean plants and flowers.

He said guaranteed to love it.

Please advise,
Anna
