Subject: Tower Paint design
[Paint Config 2.pdf](#)
[Paint config1.pdf](#)

Good Evening Boss,

On checking on the tower progress, Terrence inquired about the paint configuration for the tower.

- Option 1: Each section completely painted
 - bottom orange
 - middle white
 - top orange

- Option 2: At the top of each section a 12” band of orange then a 12” band of white.

Attached are visual samples.

Respectfully Submitted
