In Conversation with Christo
Tuesday, April 15th, 6:30 – 8 PM
The Gallery

Join us for a special evening with Christo, the legendary artist, as he discusses his creative process and upcoming projects - "*Over The River*" in Colorado and "*The Mastaba*" in Abu Dhabi. Alongside his late partner Jeanne-Claude, Christo has created some of the most spectacular large-scale, but semi-permanent artworks of the 20th century – and once famously opined, "it takes much greater courage to create things to be gone than to create things that will remain." His visually spectacular installations have included "*The Gates*" at Central Park, "*Umbrella*" in Japan and California, "*Wrapped Reichstag*" in Berlin, and "*The Pont Neuf Wrapped*" in Paris.
