MID-CENTURY PAD

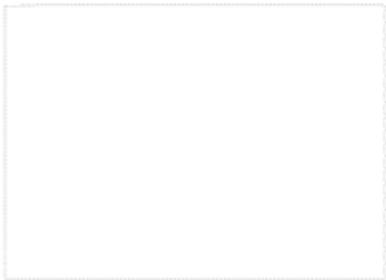

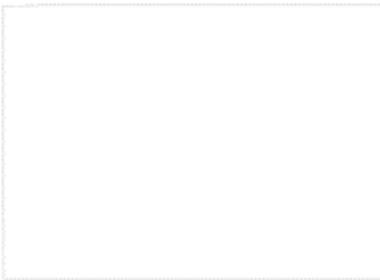

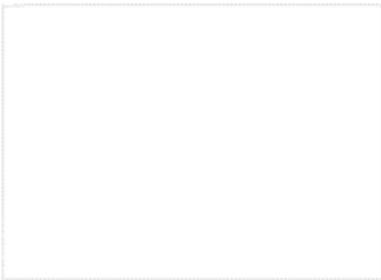

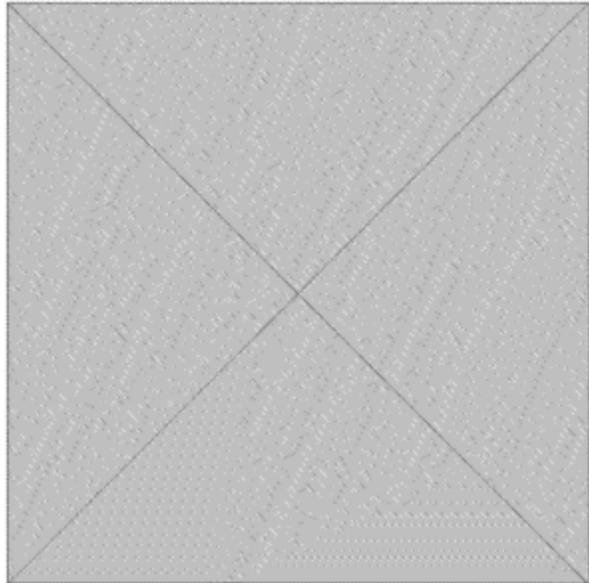

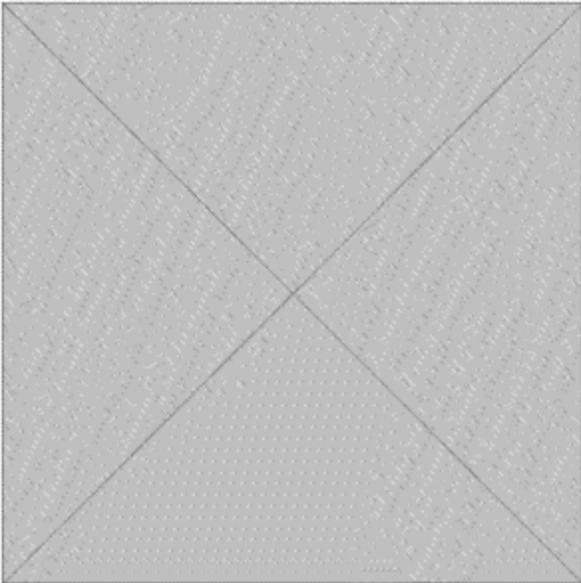

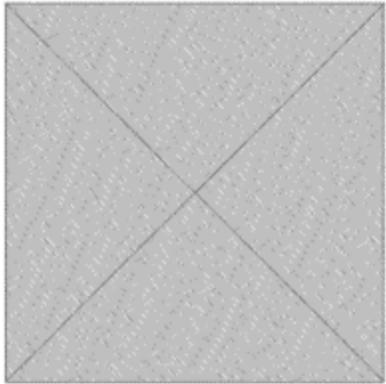

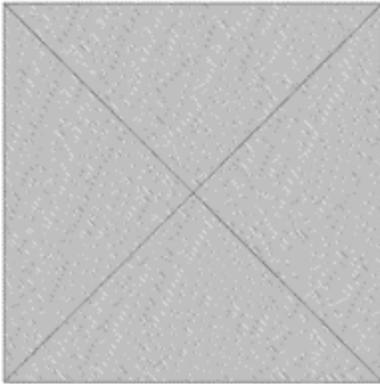

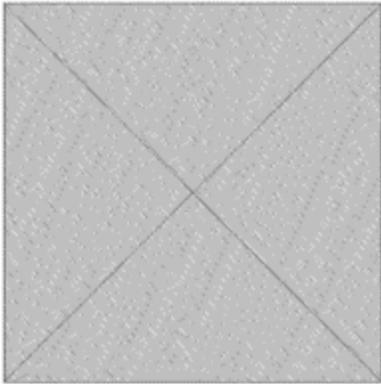

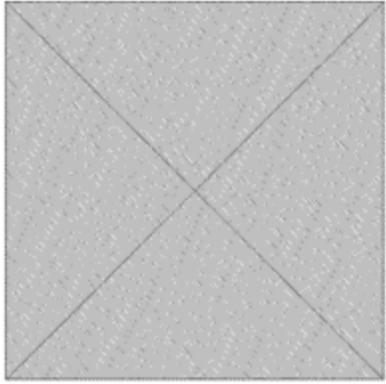

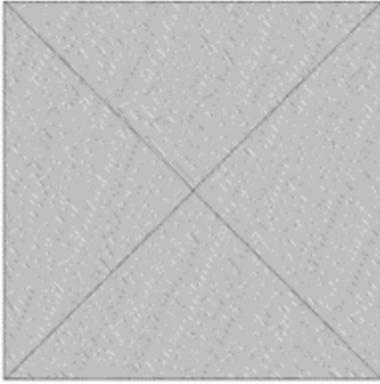

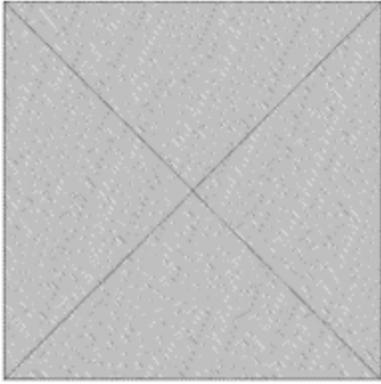

Put a fresh twist on classic mid-century style.

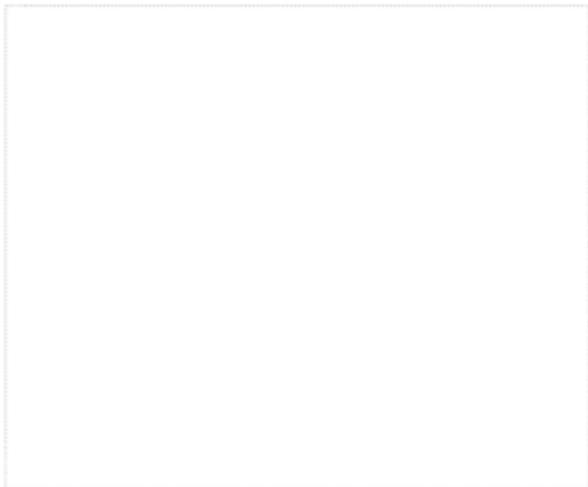

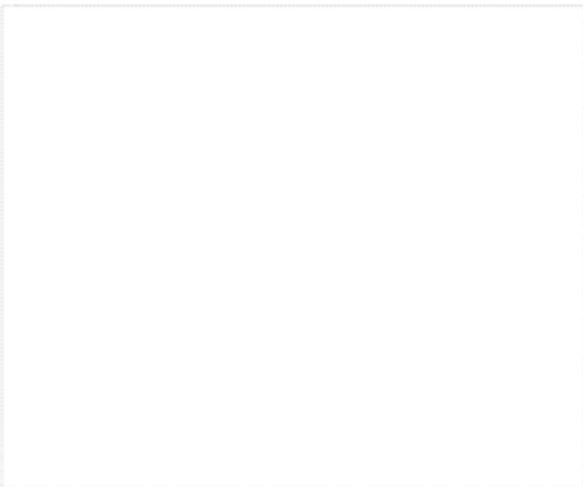

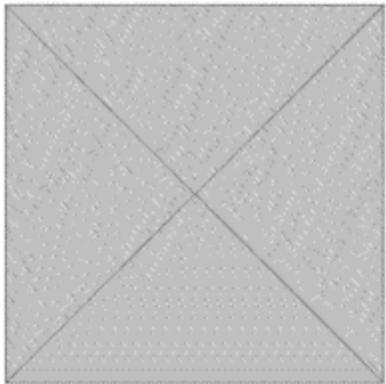

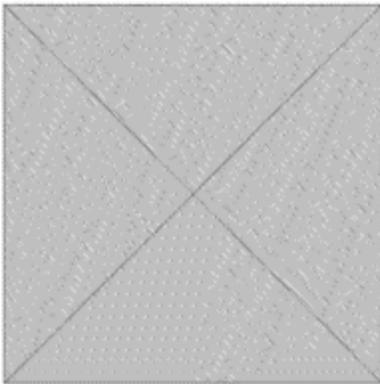

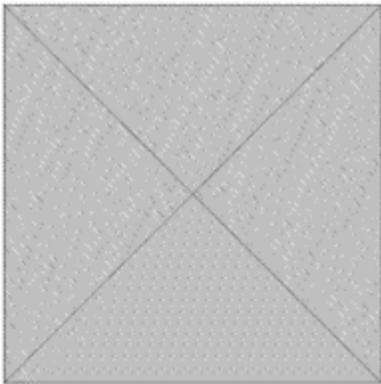

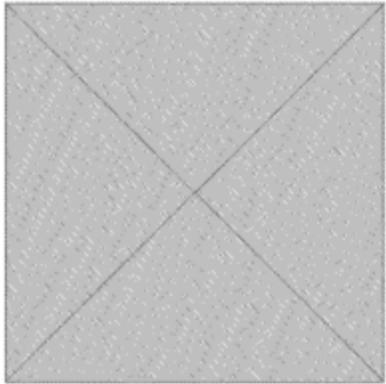

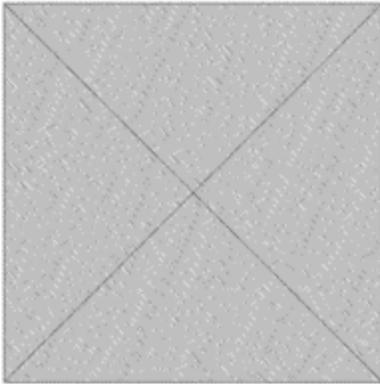

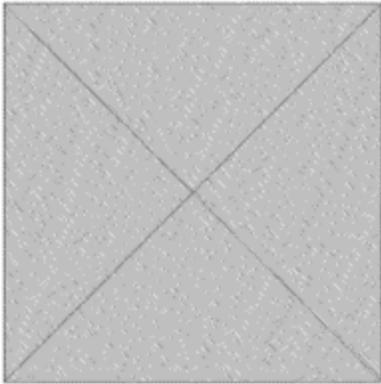

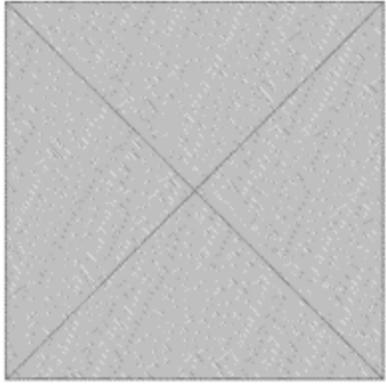

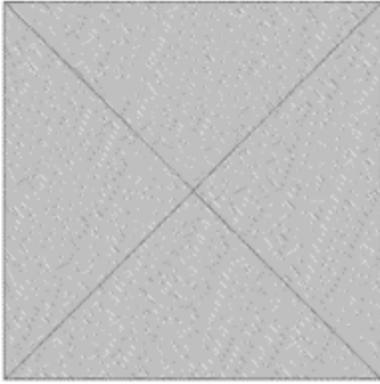

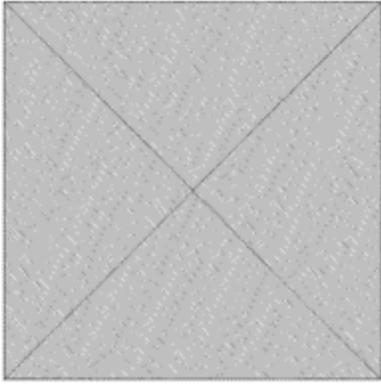

You like mid-century modern style, but you're tired of the warm retro hues that tend to come along with it. Sound familiar? Today we'll walk you through an alternative approach, where a cool new color palette takes over for the usual oranges and reds. Bright minty green and turquoise mix with neutral gray for a surprisingly modern look. Geometric patterns take on a new shade with blue and yellow accents. Yes, it's this easy to freshen up your look.
