Jeffrey last time we got i phones you said I should get [REDACTED] one. She had already bought a phone the day before so said she would just stick with using that one. She now dropped her phone in the tub while cleaning it. She is keeping it under rice to try to absorb the moisture. Now her phone has been 2 days under rice. She is going to get a normal phone if the rice doesn't fix it. Should I get her the iPhone??
