FYI...I am finding places that are closed on Sat's...I left a message for Eva with Kimberly (I told Kimberly this is high priority request)...I found someone who might concede to giving the exam this Sat. but they do not normally do this and they would need to get staff and extra \$\$ (Memory Attention Clinic, Dr. Moore [REDACTED])...still waiting to hear back from Dr. Fallahpour with The Brain Resource Center on whether or not he can give the test this Sat...

I have left many messages for many centers as well...will keep calling around
